

# DID YOU KNOW?

*A look at what's happening with the seven mountains of culture*

## CASH, CHECK OR...?

**BUSINESS** By Laurie Ortiz

In our first edition of "Did You Know" we told you of the "Great Reset" being perpetrated by world leaders, globalists, and billionaires. We mentioned that they have wicked schemes to take away our freedoms, changing daily life as we know it.

Jesus, however, gives a warning that "there is nothing covered that will not be revealed." Luke 12:2-3

A case in point: On March 9, 2022, President Biden signed Executive Order 14067 - Ensuring Responsible Development of Digital Currency. This is known as CBDC - Central Bank Digital Currencies.

The objective: "The United States should ensure that safeguards are in place and promote the responsible development of digital assets to protect consumers, investors, and businesses; maintain privacy; and shield against arbitrary or unlawful surveillance, which can contribute to human rights abuses."<sup>(1)</sup>

Sounds good, but is it? Robert Kiyosaki, American entrepreneur and author, calls EO14067 "the most treasonous act in U.S. history," and the creation of the CBDC "Communism in it's purest form."<sup>(2)</sup> In short, they are destroying our American dollar (cash)! CBDC are already in use in China and are being explored by many other countries. With this system of only having digital currency, the government can track what, when, and how much you buy, and can freeze your currency if you buy the "wrong" stuff (i.e., purchasing gas for your non-electric vehicle)! BUT, it states that this will shield against unlawful surveillance, you say? Well, the key word here is "UNLAWFUL." It sets the stage for total control of your bank account and a way to "retire" the U.S. dollar.<sup>(3)</sup> If implemented, it could be as early as 2023-2024. So be vigilant, talk to your financial advisor, and look into reliable investment opportunities.

Last month we also mentioned some companies who will pay for their employees' abortions. Consider protesting with your wallet—shop their competitors or boycott: Adobe, Air BnB, Amazon, CVS, Dell, Door Dash, Expedia, Google, H&M, Ikea, Lyft, Patagonia, Paypal, Proctor & Gamble, Starbucks, Target, Uber, and Zillow<sup>(4)</sup>.

# True OR False

Compiled By Barbara Sieber

- |  |      |       |
|--|------|-------|
| 1. The Biden Administration has authorized the creation of pilot fighter uniforms for pregnant women. <sup>(1)</sup> | TRUE | FALSE |
| 2. There is such a thing as “Father’s Milk.” <sup>(2)</sup>  | TRUE | FALSE |
| 3. You cannot use the word “groomer” on Reddit or Twitter. <sup>(3)</sup>  | TRUE | FALSE |
| 4. Disney is a family-friendly organization. <sup>(4)</sup>  | TRUE | FALSE |
| 5. Bill Gates is investing in Lab Created food (artificial meat). <sup>(5)</sup>                                     | TRUE | FALSE |

**Answers:**

- 1) TRUE! So now both mother and baby are at risk.
- 2) Per the Biden Administration, it’s now TRUE.
- 3) Also TRUE. “Groomer” refers to pedophiles sexually grooming kids. *Seems as “Save the Pedos” is the rallying war cry now.*
- 4) False. If you thought it was true, you didn’t read our first newsletter. *Do a simple internet search on Disney’s Subliminal Messaging.*<sup>(6)</sup>
- 5) TRUE. Death to cows! Their stomach gases are destroying the entire planet. Lab created food and eating bugs is the way to go folks.<sup>(7)</sup>

*Editors note: You can’t make this stuff up.*

## ACTION ITEMS By Barbara Sieber

### GET INVOLVED! RAISE YOUR VOICE!

YOU can make a difference. Write, email and/or call elected officials about issues that concern you. Go to [openstates.org](https://openstates.org) to find your representatives.

Run for public office for your town or county; run for a seat on your local school board. Ask the Conservative or Republican Party for help. The Monroe County Federation of Republican Women just started up their branch again last spring in response to current events. They are eager to offer help! Find them on Facebook.

Go to your local school board meetings. Stand at the mic and speak your mind to the Board; support those that are like-minded. There are many issues where we can be a voice for righteousness: Sex Ed for young children (*Shouldn’t it be up to parents to teach their 5-9 yr olds about sex?*); the Marxist/Socialist CRT curriculum that divides people of different races and rewrites American history;<sup>(1)</sup> objecting to educators that view parents as worse than terrorists<sup>(2)</sup> and at best as non-essential.<sup>(3)</sup> You can also protest the dumbing down of education.<sup>(4)</sup>

Petition! Sign up for online petitions at [citizengo.org](https://citizengo.org). They sponsor many petitions against the government’s various agendas. The more you expose yourself to, the more opportunities you will come across to make your concerns heard. For New York state issues, we recommend Albany Update/New Yorkers for Constitutional Freedoms. Reach them at [Albanyupdate.com](https://Albanyupdate.com).

This is a partial list. There are many people and organizations in the fight against the tyranny: worldwide, nationwide, statewide. For your children’s sake we urge you to join them.

# HOW NEW IS THE NEW WORLD ORDER?

## GOVERNMENT By Candy Giles

How did America go from record low gas prices, low unemployment, less illegal immigration, and energy independence to the opposite in less than two years? In addition, we see rising crime as a result of “bail reform” and defunding the police. More recently we’re seeing hikes in food prices and looming food shortages. Four years under President Trump we stayed out of wars and the Abraham Accords<sup>(1)</sup> was created—peace between Israel and some Arab neighbors, but now we’re seeing conflict in Ukraine and watching China threaten Taiwan.

Is this just the inevitable course of history or is something else going on? Could it be that there are some who want chaos and fear to fulfill an agenda? Consider these quotes from some well known bankers, statesmen, and internationalists:

**David Rockefeller**, “*We are grateful to The Washington Post, The New York Times, Time magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subject to the bright lights of publicity during those years. But, the world is now much more sophisticated and prepared to march towards a world government.*”<sup>(2)</sup>

**Henry Kissinger**, “*Who controls the food supply controls the people; who controls the energy can control whole continents; who controls money can control the world.*”<sup>(3)</sup>

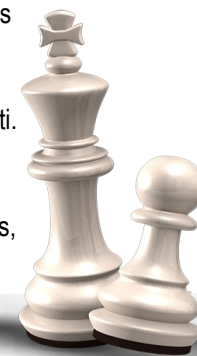

**Maurice Strong**, “*...we may get to the point where the only way of saving the world will be for industrial civilization to collapse.*”<sup>(4)</sup>

These men, among other powerful cohorts (George Soros, Bill Gates, Klaus Schwab) who think they are smarter than the rest of us, are also members of these global organizations, i.e., The Bilderbergers<sup>(5)</sup> and The Trilateral Commission<sup>(6)</sup>—who happen to support a New World Order.<sup>(7)</sup> Even President George H.W. Bush mentioned the NWO on September 11, 1990<sup>(8)</sup> and January 16, 1991.<sup>(9)</sup>

But this is not new! Since Adam and Eve, Satan has been trying to amass power and worship, using men and women. One of his early followers was Nimrod. In Genesis 10, Nimrod led the building of the Tower of Babel, “a king rebellious against God.” Historian Josephus wrote, “He also gradually changed the government into tyranny, seeing no other way of turning men from the fear of God, but to bring them into a constant dependence on his power.”<sup>(10)</sup> Like today, tyrants try to turn people from depending on God to depending on government.

Throughout history there have been other “Nimrod’s:” Napoleon, Hitler, Mao Zedong, and Cecil Rhodes, who in the 1800s wanted a British Empire on which “the sun never set.”<sup>(11)</sup> There have also been secret societies led by the globalist elite.<sup>(12)</sup> For example, the Illuminati. It was formed in 1776 by Adam Weishaupt. Its goal was “to overthrow all political and religious institutions disposing of hierarchy, rank and riches, where Princes and nations will disappear.”<sup>(13)</sup>

So who is trying to run the world today? To be continued...

# OH WHAT A TANGLED WEB WE WEAVE...

## FAMILY By Barbara Sieber

“*Oh what a tangled web we weave...*” is unfortunately a true statement when it comes to the government and the pharmaceutical industry. There seems to be a revolving back-door left wide open for executives between the CDC/FDA and drug companies. This has been happening for 38 years and we see a major conflict of interest, especially now. We see chummy agreements between the big drug companies and the regulators who approve their products for sale.<sup>(1)</sup>

Every time the government gives FDA approval for these “vaccines” for the “pandemic” (or as some call it—The Plandemic), they confer complete financial immunity from negative health consequences to Pfizer, J&J, and Moderna.<sup>(2)</sup> In addition, on Jan. 3, 2022 Pfizer and BioNTech received emergency use authorization of Covid-19 vaccine booster for those 12 years of age and older. This action also reduced the time of completion between primary series of shots and boosters. (This is from the Pfizer website itself.) So because of the PREP Act established by Congress on Jan. 28, 2021, you are completely on your own, liable for all your resultant medical bills.<sup>(3)</sup>

On June 3, 2022 the CDC released new data showing a total of 1,287,595 reports of adverse events following COVID-19 vaccines that were submitted between Dec. 14, 2020 - May 27, 2022, to the Vaccine Adverse Event Reporting System (VAERS). That’s an increase of 9,615 adverse events over the previous week.<sup>(4)</sup>

Now, the pharmaceutical companies get full legal protection from all harm their vaccines may cause while enjoying billions in profits. Pfizer alone made 33.5 billion in 2021.<sup>(5)</sup> The big pharma companies made \$1000 profit EVERY SECOND.<sup>(6)</sup> So what benefit does the government get from this unholy alliance? Well, we know that one hand washes the other. Those government officials get higher paying jobs when they move over to pharma management. Some go on to sit on big pharma’s governing boards. An incredibly high percentage of government officials, including senators and congresspeople, leave office with millions more than they had when they went into office due to stock investments in the drug industry.<sup>(7)</sup>

*(continued on page 4)*

## OH WHAT A TANGLED WEB...

(continued from page 3)

Lastly and just as importantly, the government gains POWER over the people. Don't take the job, lose your job. Take the job and you are "free" to live your lives. In the future they will control us through our medical records—denying us social benefits that we have contributed to all our working lives. The ultimate plan is to control every aspect of our lives. They will control our travel, our banking, our housing, our food, our children. The lust for power will know no end because it is demonically inspired.

It's important we know all of this ugly information because being forewarned is being forearmed.

*"If we are to guard against ignorance and remain free, it is the responsibility of every American to be informed." Thomas Jefferson*

---

One of the most important things you can do this Fall is to engage and exercise your right to vote. It's the best way we can ensure fair elections and to help expand God's Kingdom by electing those who respect and uphold godly principles.

Mark your calendar for **Sunday, September 25.**

Food will be available to purchase immediately following the service, at The Link.

At noon, we will host 14 Candidates from both sides of the aisle. You'll be able to meet, ask questions, and hear from all of the candidates who accepted our invitation. There will also be an opportunity for you to register to vote! Bring a friend.

**If you need childcare, you MUST REGISTER your child, age 10 and younger, by noon on Wednesday, Sept. 21 at [info@bethelcf.com](mailto:info@bethelcf.com).**
