A look at what's happening with the seven mountains of culture

CHRISTIANS IN POLITICS By Candy Giles

America needs us! We must vote and ask God what He wants us to do. There is great evil in our government including ignoring laws and constitutional procedures, passing unrighteous laws, and spending out of control.

The Bible has many instances of the righteous taking a stand against evil rulers—Moses and Pharaoh, Esther and Haman, Elijah and Jezebel, Jesus and the Pharisees. These stories have often been applied to personal struggles people face. Thankfully, many apostles, prophets, and pastors have recently called out the evil in America—whether abortion, the rise of paganism/Satanism, lawlessness, election fraud, Christian persecution, and schools encouraging LGBTQ+ activities and racial division.

God has been pushed out of public life, yet our founders called on God. They set up a government based on freedom (*it was good, but far from perfect as slavery did not end until years later*). During the writing of the Constitution, Benjamin Franklin called the delegates to pray.⁽¹⁾ There is no “separation of church and state” in the constitution. (That was a letter by Thomas Jefferson—that the state could not control the church!)⁽²⁾

Does your vote matter? YES! Greg Phillips from True the Vote explains how Arizona discovered that if enough people show up, their votes can overcome the voting machine algorithms (that were used to manipulate the election in 2020).⁽³⁾

We are called to rise up against America’s Pharaohs, Hamans, Jezebels, and followers of Baal (child sacrifice). We cannot remain silent. Let us not be like the churches in Nazi Germany who sang louder when the trains carrying Jews to their death passed by on a Sunday morning.

“Silence in the face of evil is itself evil: God will not hold us guiltless. Not to speak is to speak. Not to act is to act.” Dietrich Bonhoeffer

ELECTION DAY: TUESDAY, NOV. 8 ★ EARLY VOTING: OCT. 29 - NOV. 7

INTRODUCING: THE TRILATERAL COMMISSION By Laurie Ortiz

Founded in 1973 by David Rockefeller, this commission is a global organization made up of business leaders, policy makers, and those in media and academia. Their goal is to find solutions for the greatest social, economic, technological, and political problems facing the world. Comprised of leaders from North America, Europe, and Asia, they all share in a commitment to rule of law, open economies and societies, and democratic principles. In their 2020 and 2021 meetings they hosted such speakers as Anthony Fauci, Janet Yellen, and Larry Summers.⁽¹⁾

Out of these meetings came the creation of a task force exploring the future of capitalism—the “Task Force on Global Capitalism in Transition.” This team determined that our current form of capitalism is not equipped to handle the three major societal challenges of climate change, disruptions by the digital revolution, and rising inequalities. In other words, capitalism adds to global problems. Therefore, the policy changes and regulations proposed will, by 2050, establish a “new spirit of capitalism,” i.e. socialism!⁽²⁾

RAINBOW CLUBS By Barbara Sieber

Rainbow Clubs are coming to the Pittsford School District. Rainbow Clubs are an elementary school version of a GSA (Gender Sexuality Alliance) ⁽¹⁾ According to the Rainbow Club website, students do not have to identify as LBGTQ +. "(The clubs) can be a space for LBGTQ + families, students and allies to connect and hold space for one another." This is called "grooming."

The practice of grooming is the criminal intentional introduction of sexualized behavior to young children and teens, slowly and enticingly enough to fool the victim into suspending their moral beliefs. The victims can then be coerced to agree to the abuse. On the RAINN.org page, "Grooming: Knowing the Warning Signs," has included this phrase in their definition—"and to reduce the risk of being caught." This phrase, unfortunately, no longer applies.

The 8/30/21 issue of City News paper announced that Blackfriar Theater has "proudly presented Mrs. Kasha Davis, a local drag queen, to our community through the production of "The Imagination Station". They are shopping their production to HBO, Amazon and Netflix. "Take Pee-Wee's Playhouse, Mrs. Doubtfire, and Mr. Rogers and you've got Imagination Station."⁽²⁾ This is grooming. Incidentally, the word "grooming" is no longer allowed on Twitter and Reddit. I wonder why....

You might find yourself breathing a sigh of relief if you don't live in the Pittsford School District. My advice to you is to not get too comfortable. They are after the kids, believing the sooner the better.

WERE YOU BORN IN THE WRONG BODY? By Candy Giles

Are you or someone you know considering changing your gender? Do you have a child who wants to "transition" to the opposite sex? Or do you just want to have information to be able to address this issue?

In the UK, young people claiming "sudden onset gender dysphoria" has skyrocketed by 4000% since 2009!⁽¹⁾ This is especially happening with young women, where in the past most cases were boys.

Please consider the following testimonials from people who made this life-altering decision and came to regret it. Links to their stories are on page 4, under "Sources."

Chloe Cole decided at age 12 that she was a boy. Not knowing what to do, her parents went to medical professionals whose only option was for Chloe to transition with chemical injections. Then she had a double mastectomy. At age 16 she regretted her decision and told her story at 18. She realized her need for attention and Instagram's influence fueled her decision.^(2, 3)

Walt Heyer and Kathy Grace Duncan tell their stories of childhood abuse, thinking transitioning would save them. The link to their story is on page 4, under "Sources."⁽⁴⁾ They show great compassion for the inner pain that takes a person down this road.

Rochester's Golisano Children's Hospital made national news as they now offer transgender treatment for children ages 8 - 25.⁽⁵⁾

“DANGER, WILL ROBINSON, DANGER!”

By Barbara Sieber

Transgender—the medical term for people whose sense of identity does not match the gender they were “assigned” at birth.⁽¹⁾

700,000 Americans under the age of 25 identified as trans in 2020. This has doubled since 2017.⁽²⁾ The trans movement has hit young women harder than men. Historically, 1 in 30,000 women transition. Now 1 in 20 college aged women say they are transgender.⁽³⁾

Covid changed lives profoundly. Kids home alone found their missing community in chat rooms, Youtube videos, and TikTok—which pushes transitioning. In school they are indoctrinated by teachers, GSA clubs, school assemblies, vocabulary lists, flyers, library books, and textbooks. They’re encouraged to choose their pronouns; transitioning is “cool”.⁽³⁾

Two thirds of trans kids have diagnosed mental health issue (anxiety, depression, eating disorders, stressful life event). Modern therapy is prone to embracing, not healing.⁽³⁾ Unfortunately, the Diagnostic and Statistical Manual of Mental Disorders seems seriously biased; 39% of those who stopped identifying as transgender had met the guidelines to qualify as transgender.⁽⁴⁾

GEORGIA GUIDESTONES

By Barbara Sieber

It's America's Stonehenge, the Georgia Guidestones, installed in 1980 in Elbert County, Ga.—built 19' 3" tall, from 6 granite slabs, and weighing close to 230,000 lbs. Commissioned under the pseudonym R.C. Christian, the creators said the monument was to serve as a guide for humanity in case of worldwide calamity. Its inscriptions are in English, Arabic, Chinese, Hindi, Hebrew, Russian, Spanish and Swahili.⁽¹⁾

On July 6, 2022 the Guidestones were heavily damaged. The press claimed it was the result of a bombing. Even with security cameras on site, there was no record of who did the damage. Multiple cameras in place, yet no record?⁽²⁾ Think of Jan. 6 and all of the people that they managed to capture on film. Was God behind the damage?

The Guidestones carried some of the following inscriptions:⁽¹⁾

Maintain humanity under 500,000 in perpetual balance with nature

(This was the population during Jesus' times)

Guide reproduction wisely *(Pro-abortion language)*

Unite humanity with a single language *(God destroyed the Tower of Babel for this very reason)*

Prize truth-beauty-love-seeking harmony with the infinite *(New Age)*

The monument was totally eradicated the very next day! Yet this was a crime scene. What are they covering up? What are they afraid of?

For detransitioners, there can be regret. The lifelong effects of “top” and “bottom” surgery are heartbreaking, resulting in a permanent consequence to an often temporary condition. Between 88% to more than 90% of trans kids will change their mind by adulthood. The side effects of these puberty blocking drugs include diminished bone density, neurological and psychiatric problems, and stunted genital development. When combined with cross-sex hormones, which also have permanent side effects, they can cause sterility and irreversibly damaged sexual function.⁽⁵⁾

THE NWO

By Candy Giles

The New World Order must be taken seriously. Their intent is to destroy America and control the world. How? By “The Great Reset.”⁽¹⁾ Who is behind this? It seems that there are many. Here are some of the main players:

Klaus Schwab founded The World Economic Forum in 1971, at the recommendation of **Henry Kissinger**.⁽²⁾ The phrase “You will own nothing and be happy by 2030” is their goal.⁽³⁾ Schwab’s adviser is **Yuval Noah Harare**. On Yuval’s website, he states, “History began when humans invented gods and will end when humans become gods.”⁽⁴⁾

Other known WEF members⁽⁵⁾ include **Joe Biden, Anthony Fauci, Barak Obama, Mark Zuckerberg, Janet Yellen, King Charles, Volodymyr Zelensky of Ukraine, George Soros** (donor to many US politicians)⁽⁶⁾ and **Bill Gates** (invests in vaccines, buys US farmland, etc.).⁽⁷⁾

Blackrock, with its CEO **Larry Fink**, is the largest money management firm in the world, with \$10 trillion—giving them enormous power over the global financial system.⁽⁸⁾

Rockefeller Foundation, who funded research on childhood sexuality by Alfred Kinsey.⁽⁹⁾ Kinsey presented sexual activity as amoral acts, suggesting that pedophilia was normal.⁽¹⁰⁾

Bank for International Settlements which controls the **Central Banks** of many Nations.

Bill & Melinda Gates Foundation and other non-profits.

World Health Organization (WHO)

United Nations

They all use Big Tech, Big Pharma, the CDC, and whatever governments they can control to push their agenda. They have controlled banking, financed wars, caused regime changes, rigged elections, and created entities such as the Trilateral Commission, League of Nations and the UN—all

HOW TO NAVIGATE THROUGH ROUGH TIMES

By Candy Giles

“David encouraged himself in the Lord his God.” 1 Samuel 30:6

How does a Christian respond to the seemingly overwhelming power, money, and evil that governments partake in? Do we wring our hands, lose sleep? How did David in the worst of circumstances “encourage himself in the Lord?”

One thing he did was to worship with Psalms that he wrote or recited from memory. Many Psalms speak of God’s victory over evil rulers and nations. Psalms 37:1-2,10 says, “Fret not thyself because of evil doers...for they shall soon be cut down like the grass...for yet a little while and the wicked shall not be.”

David surely knew passages from Genesis - Deuteronomy, about the miracles God had done for his people leaving Egypt and taking the Promised Land. The book of Judges is also full of stories of God’s people triumphing over other evil nations.

We too can be like David! In addition to reading Psalms and worshiping:

Read (and believe) the many stories or passages of victory in the Bible, like Romans 8.

Claim or memorize (thy Word have I hid in my heart) scriptures like “the power of the wicked will be broken, but the LORD upholds the righteous.” Psalms 37:17

Join a governmental prayer group (or start one). Be sure the members are positive believers who see God is in control and at work even when we don’t see it, and not hand wringing “doom and gloomers.”

Remember “we wrestle not against flesh and blood” and need “the whole armor of God.” Ephesians 6.

Listen to encouraging prophets. (Look at eljahstreams.com).

Listen to “Strengthen Yourself in the Lord,” by Bill Johnson, on YouTube: youtu.be/6PyQEcJ3kiM

“But when I tried to make sense of this, it was troubling in my eyes—until I entered the sanctuary of God...” Psalm 73:16

At the time of this editorial deadline, little is known about the sabotage of the Nordstream pipelines. We do know that Europe will pay dearly for this action, in finances, manufacturing, and deaths. PRAY for Europe.

THE NEW WORLD ORDER *(continued from page 3)*

with the goal to rule the world. Many of these players are members of multiple organizations, banks, and agencies. Some are high level Masons who worship Lucifer (Satan) using occult power.⁽¹¹⁾ Thus we’ve come full circle back to the days of Nimrod—trying to rule and reign instead of God. (see September’s DYK issue, “How New is the New World Order.”)
