BETHEL MISSIONS CORNER

Connecting with LESLIE LATONA in COLOMBIA

Praise report: Leslie had oral surgery in January and it was successful! She is grateful to all who interceded for her.

Prayer request: A team from NY is going to Colombia in February. Pray for strength, wisdom, good health and God's guidance as Leslie prepares for and leads this team.

God's guidance as the Simon Bolivar church builds their new structure.

For the construction team working on the church building in La Tebaida, and the team who will be doing evangelism at schools and the foundation. This church also has 85 children in their feeding program. Thank you!

OUR CONDOLENCES

Please keep **Vanessa Singer** and her family in your prayers. Her father passed away in January.

We are also saddened by the passing of Bethelite, **Ava Bodine**, who entered eternity January 30.
