Please keep the Youth in prayer as they minister to the City during Flower City Work Camp, April 1 - 5.

CAPITAL CAMPAIGN

So far your Capital Giving has:

- rebuilt our elevator AND
- purchased a new projector for the main sanctuary's center screen.

As we continue to work on the Dome in the Historic Sanctuary, and replace the main sanctuary's sound board, we're also finalizing plans to re-do the outside of the garage in our parking lot. Thus our new Goal.

To contribute, note CC or Capital Campaign on your offering envelope. Or find that option in the drop-down menu if you give online. Thank you for your faithfulness!

BETHEL MISSIONS CORNER

Connecting with **SHELLEY CARL** in JAPAN

Prayer requests: Her brothers have had health challenges recently. Pray for quick and complete healing for both of them.

Pray for Garden Hills Church - for more people to be reached, and for an increase in finances to cover rising expenses; especially pray for their Easter service and the time leading up to it, which is an ideal opportunity to invite more people to hear the Good News of Jesus.

And for her doctorate studies - divine help in completing three major assignments due in April. **Thank You.**

EXTENDING OUR CONDOLENCES

Former Bethelite, **Kathy Hart**, passed away February 6.

And our own, **Jamie Morgante**, suddenly went to be with the Lord on February 16. Please keep his wife Kalene and their children in your prayers.

May God's peace be with these families.

Submissions for next month's bulletin must be received by the 20th of this month for publication. Email info to cdomina@bethelcf.com.
