Bethel SOZO Inner Healing Ministry = to be saved, whole, healed, preserved and well. Sozo ministry involves connecting with the Godhead to heal past and current wounds while replacing lies we have believed regarding ourselves and others with God's truth. Sometimes life can take a toll on our emotions, behaviors and overall well-being. To learn more or to schedule an appointment, go to bethelcf.com/sozo.

Plymouth Ave. They are also serving the immigrant families new to our area by providing food boxes. Supplies are low. They are in need of shelf stable food such as: soup, microwavable foods, granola bars, water, pasta & sauce and any other canned goods.
